WHY ACM?
ACM offers academically strong and culturally immersive programs, which are grounded in the liberal arts and sciences, with several distinguishing features:
• Opportunities to pursue your individual interests through independent study projects, hands-on research, and internships
• Small program size, with close faculty mentoring and distinctive opportunities
• Place-based learning that encourages community and cultural engagement
• A long history of students from your college participating in ACM programs, with academic credits that transfer and ease in the use of Financial Aid

CAMPUS APPLICATION PROCEDURES
• The “Application for Grinnell College Approval to Study Off Campus” is available from the Off-Campus Study Office or online via the Grinnell website.
• Once students receive Grinnell approval to study off campus, they submit the ACM program application by the deadline date indicated in the Grinnell approval letter, which is significantly earlier than the actual application deadline.

CAMPUS APPLICATION DEADLINE
December 8, 2014 - Deadline for the “Application for Grinnell College Approval to Study Off-Campus” for any programs during the 2015-16 academic year
